**MATTER UNDER CONSIDERATION:**

**Motion for Extension of Time and for Other Relief**

**CHIEF HEARING OFFICER'S ACTION:**

**Carolinas Clean Energy Business Association ("CCEBA") moves for an extension of two weeks in which to file direct testimony in this proceeding, along with extensions of subsequent testimony deadlines and hearing dates. In the alternative, CCEBA moves the Commission for the ability to file supplemental direct testimony for all other parties to be submitted by July 26, 2021, for additional testimony extensions for filing of rebuttal and surrebuttal testimony, and for other relief. The Motion is supported by South Carolina Coastal Conservation League and Southern Alliance for Clean Energy.**

**This is a matter which must be decided by the full Public Service Commission. Accordingly, the "All Other Parties Due Date" for pre-filing testimony of July 13, 2021 is hereby held in abeyance for all parties affected by this deadline, until such time as the full Commission can rule on the issues in this Motion. The full Commission will consider these matters at its regular Business Meeting on July 21, 2021.**

**This ends the Chief Hearing Officer's Directive.**
